Capitalize on PBXact Cloud from Sangoma

PBXact Cloud is designed for small-to-medium businesses looking for a feature-rich phone service for their office(s), with built-in productivity and collaboration features, accessible from anywhere, on any device. Integrated advanced features provides callers with a great experience, from a professional greeting, automatic routing based on time-of-day and also options to be called back if their phone lines are tied up.

QUICK ACTIVATION

Go to <https://cloud.pbxact.com>, activate service and start making phone calls. No waiting for emails or login confirmations

EASY PROVISIONING

The built-in Quick Wizard and Simplified Dashboard gets customers up and running right away. No hassle, no fuss, minimal maintenance.

GO CLOUD OR ON-PREMISE WITH EASE

The same PBX solution is also offered on-premise with an identical feature-set. No extra training for you or your customers if they decide to switch deployments.

CONTRACT OR NO CONTRACT

Customers can choose which option is better suited for their company or more comfortable with.
